It is a pleasure to congratulate you, the class of 1957, who have achieved one goal in education. Satisfaction results when one accomplishes one's objective. Therefore, you have every right to be proud of yourselves. Remember there are always new opportunities for people who set higher objectives and have vision and drive to accomplish them.

You have just begun your education. Now you must make decisions which have been made for you by parents or other adults. We hope that your stay in school will result in your becoming a more financially successful citizen with the ability to make decisions which will benefit yourself as well as your community.

Sincere thanks go to each of you who have in various ways made this a better school and community.

May God be with each of you. He is ever present and will help with your burdens all through life.

Best wishes and love from the faculty to each of you.

Class History

Only four short years ago we, the crew of the N.B.H.S. class of nineteen hundred and fifty-seven, embarked on the unpredictable seas of our high school career. With forty-four inexperienced and slightly apprehensive hands on board we promptly selected Donnie Peeler as our highest officer. Most of us managed to come through victorious at the end of the first lap of our voyage.

When we returned the next year, Carl Beam took the helm and piloted us safely through our sophomore year. We still nevertheless gazed with awe at those whose trip was nearly completed. Seventeen of the crew were inducted into the National Beta Club; however, we wondered if we would ever reach safe harbor. But we had crossed the halfway mark, and were much nearer to our goal than we thought.

Again climbing aboard in our Junior year, we were confronted with new responsibilities. Under the guidance of Carl Beam; however, we sailed through all difficulties with flying colors. Under the direction of Mrs. Donald Guess we successfully produced our Junior Play, "Backwoods Romeo," and what a great day it was when the class rings we had selected and ordered arrived. We undertook several projects to raise funds for the Junior-Senior Banquet. With the funds earned we gave the Seniors the time of their lives.

It was a new and different feeling that we set sail on the last lap of our journey. Nevertheless, we got right to work and elected Carl Beam as captain. We were busy putting together "our" edition of the Le Souvenir, and producing the Senior Play, "A Girl Named Pat."

Now with a feeling of accomplishment we approach our last harbor from which we shall set on the dangerous sea of life. We cannot foretell what lies for us beyond the horizon, but we know that as long as we live, we shall be grateful to you, ole N.B.H.S., and remember these four glorious years as "the best years of our lives."
